Tips to ensure a perfect fit:

Measure both feet in socks, tights or barefeet.

Trim or fold paper on the orange trim line.

Place paper flush to a wall or step.

Place child's foot on the paper with the heel against the wall.
Line-up with the green measure line.

Order the Livie & Luca shoe size that correlates to the green line where your child's big toe lines up.

If your child's foot falls between sizes, order the next size up.
